

TWMI

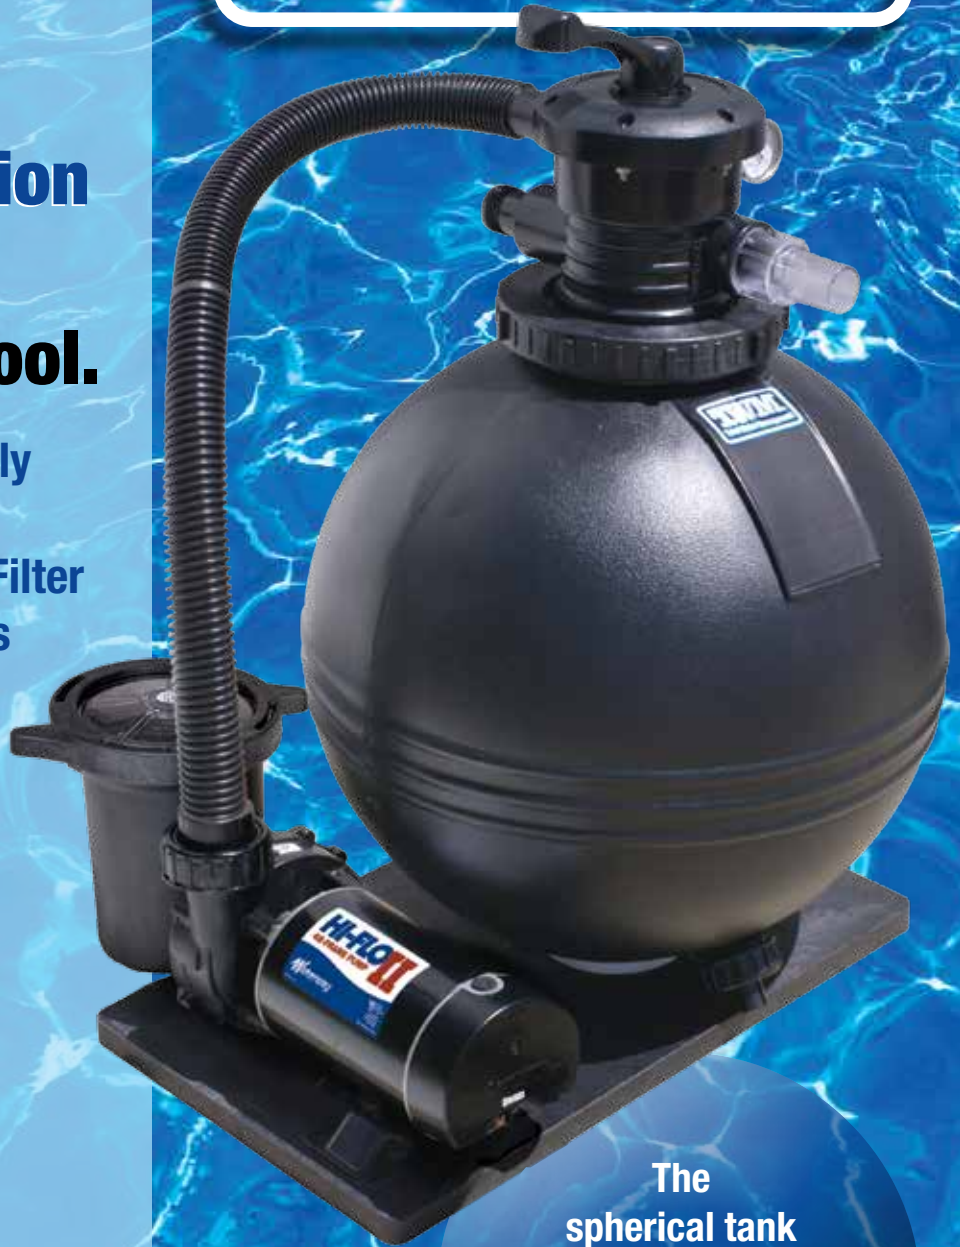

Total Water Management

The economical sand filter solution for filtering an above ground pool.

Designed to handle virtually all sizes and conditions, the Waterway TWM Sand Filter Systems will provide years of dependable filtration.

FEATURES:

- Filter, pump, hoses and fittings in one box
- Choice of tank and pump sizes
- Corrosion-proof sand filter tank
- 7 position Multi-Port Valve

The spherical tank design evenly distributes the water for maximum water cleaning and longer filter life.
