

## ***Welcome and thank you for choosing Waterway Plastics.***

We invite you to review our new 2011 Waterway Whirlpool Bath Products Buyer's Guide. Waterway is entering its 38th year of industry innovation. This year marks a new addition to the Pool & Spa family of products with a complete new line of Whirlpool Bath Products. Using our vast knowledge of Spa product innovation, we created a "New Age" plumbing system for Whirlpool Baths and Walk-In-Tubs. This new system is called SmartPlumb™ and uses state-of-the-art manifolds for the application of vinyl tubing and Shur-Grip™ hose to completely balance the pressure to all Jets. We applied our five year history of the SmartPlumb spa systems to complete the Whirlpool Bath version.

This buyer's guide will feature: 5 different Jet sizes with 11 plumbing configurations and 22 therapy effects, Designer Safety Suctions, Air Controls, Air Buttons, Select-A-Speed Controls and the highest performing bath pumps named the Genesis Generation™. In addition we offer Aroma Therapy Dispensers, Chromotherapy Mood Lighting and 36 specialty fittings ranging from 3/8" to 2". Waterway also manufactures a variety of vinyl tubing, Flex hose and Shur-Grip™ hose sizes.

During 2011, Waterway will be adding many new and innovative products to our Whirlpool Bath line. Please visit our website, [www.waterwayplastics.com](http://www.waterwayplastics.com), to see any new additions throughout the year or call 805-981-0262 to have a product announcement sent to you via e-mail or fax.
