

LED Products for 2010

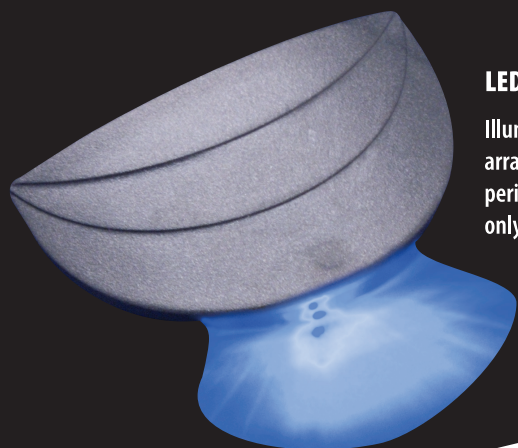

LED 4.5" Flush Mount Speaker

New improved premium grade speaker with LED lighting around perimeter of the speaker. This flush mount design has no moving parts and is easy to install.

LED Strip Light

Used for perimeter lighting up underneath the spa shell or kick plate area. Can bend to conform to corners of any radius. Accepts up to three LED lights.

LED Cabinet Light

Illuminates spa skirting with a brilliant array of lights. Mounts to outside perimeter of spa cabinet and requires only one LED light source.

LED Cup Holder Light Lens

Designed to be mounted in a cup holder recess to illuminate clear glasses or cups. Requires only one LED to illuminate the lens.
